Choose a size that fits both paw width and length.

Thick fur or a long, high instep may affect fit even when width fits.

We recommend trying them on at a retailer.

For Skitter and Skitter Plus, measure paw width
and refer to each size guide.

Flexible material: if between sizes,
choose the smaller size.

Measure the widest part of the paw and from toe tip to rear pad.
Exclude nails and fur.

Choose a size that fits the paw width.

May not fit long, narrow paws (e.g., Greyhounds).
